

## Ao clicar em “Outros municípios”:

The screenshot shows the 'Complemento Federal' window. A table lists various procedures (e.g., 00000000, 00000001) with columns for 'Valor de Referência SIGAP MS' and 'Compl. Reserva Propria do Gestor'. A modal dialog box is open in the center, displaying the error message: 'Erro no carregamento internet?'. The dialog has an 'OK' button.

Dando “ok” a próxima janela abre, porém os valores de complemento digitados não aparecem na grade:

The screenshot shows the 'Complemento Federal' window. A modal dialog box is open, titled 'Complemento 08/2015'. It contains input fields for 'Município' (set to 'WINDROPOLIS'), 'Valor Amb.' (0), 'Valor Hosp.' (412,32), and 'Valor Serv. Prof.' (221,71). There are also buttons for 'Incluir', 'Excluir', and 'Total Hosp.: 200,00'. Below the dialog, a table shows columns for 'Compl.' and 'Município'.

## Tentando Gravar:

The screenshot shows the 'Complemento Federal' window. A modal dialog box is open, displaying an error message: 'ERRO AO GRAVAR'. The dialog has an 'OK' button. The background table and dialog fields are visible but partially obscured.
